

When the Devil Knocks:
The Accuser

Satan is the DECEIVER who attacks your mind with lies.

Satan is the DESTROYER who attacks your will with pride.

Satan is the ACCUSER who attacks your heart with accusations.

- When the devil talks to you about God, he lies.
- When the devil talks to you about you, he accuses.

- The devil is the accuser.
- Jesus is your advocate.

- The devil knows your name but calls you by your sin.
- God knows your sin but calls you by your name.
